

MediQuest Online Service Standards

1. Purpose

- 1.1.** MediQuest offers a range of courses that can be delivered partly or wholly online. MediQuest is committed to providing a quality learning experience for students studying online and these online service standards explain our commitment to students in key areas. The MediQuest Online Service Standards ensure that MediQuest meets or exceeds the expectations of students and the Department of Education (the Department) in its delivery of online or blended learning, training and assessment.

2. Scope

- 2.1.** All stakeholders of MediQuest Pty Ltd engaged or affected by online learning may be affected by the MediQuest Online Service Standards.

3. Authority

- 3.1.** The MediQuest Online Service Standards are issued on the Authority of the Director. It is the responsibility of the Training Manager and Compliance Manager to monitor compliance with the MediQuest Online Service Standards. All staff are responsible for the implementation of the MediQuest Online Service Standards.

4. Review

- 4.1.** The MediQuest Online Service Standards are reviewed at need and at least annually.

5. Definitions

Term	Definition
Department	Department of Education and Training
Distance Learning	Distance learning is an umbrella term that covers ways in which training can be provided by an RTO remotely to a student, without face-to-face contact at a site. Traditional distance learning includes providing hard-copy workbooks or text books, supplemented with email or telephone contact with a trainer.
E-Learning	E-learning is broad in scope and includes both online learning and aspects of blended learning. E-learning covers all forms of digital teaching and learning, both on campus and remotely
Online Learning	Online learning is where training is delivered primarily via the internet. A learner undertaking online learning may never undertake a class face-to-face with their trainer or other students.
Blended Learning	Blended (or hybrid) learning means a combination of both digital learning and in-class, face-to-face learning. The amount of each component in a course can vary
Business day	9.00 am to 5.00 pm Monday to Friday. Public Holidays are not included as business days.

MediQuest's Online Service Standards Statement

6. Student Learning Support

- 6.1. MediQuest will ensure that student enrolment numbers are in accordance with ratios defined in curriculum documents or Training Packages. Where ratios are not defined enrolment numbers will be limited in consideration of the duration and AQF level of the course.
- 6.2. MediQuest will provide the following support to students studying any aspect of their course online:
 - 6.2.1. Trainers/assessors will:
 - 6.2.1.1. Be available, when possible, for queries about learning and assessment by phone, email and online chat between 10:00am and 2:00pm Monday to Friday for the duration of the course/module.
 - 6.2.1.2. Accept queries lodged by phone, voice mail or email if they are unavailable at the designated time.
 - 6.2.1.3. Reply to queries by the end of the Trainer/assessors next day of work.
 - 6.2.1.4. Return assessments within 7 days of submission.

Administrative Support

- 6.3. MediQuest will provide administrative support by:
 - 6.3.1. Phone and email between 9:00am and 5:00pm Monday to Friday.
 - 6.3.2. Replying to queries within 2 business days.

IT support helpdesk for technical queries

- 6.4. Available via phone and email between 10:00am and 4:00pm on business days
- 6.5. Will reply to queries within 2 business days

Other Support Services

- 6.6. The Student Welfare Officer can be contacted between 9:00am and 5:00pm Monday to Friday, in person by email or by phone.
- 6.7. Counselling service is available by referral on the authority of the MediQuest Student Welfare Officer.

7. STUDENT ENTRY REQUIREMENTS AND INDUCTION

- 7.1. MediQuest conducts a comprehensive Pre-Training Review for all prospective students to determine whether a course is suitable and appropriate for their individual needs and if the student is appropriate for the course. This will include evaluation of the student's digital literacy, by:
 - 7.1.1. Asking the student to undertake a digital capability self-assessment quiz.
 - 7.1.2. Discussing the Pre-Training Review and digital capability quiz outcomes and making recommendations about whether the course is suitable for the student, and identifying additional support where required.
- 7.2. MediQuest uses a learning management system (LMS) for online course delivery. The following are the minimum information technology requirements to enable optimal access to the LMS:
 - 7.2.1.1. A device with Microsoft Windows 8 and above or Mac OS version 10 and above.
 - 7.2.1.2. Web-based content is available on hand-held devices including mobile phones and tablets.
 - 7.2.1.3. Google chrome or Safari are the preferred web browsers. Windows Internet Explorer is not recommended.
 - 7.2.1.4. internet connection 256Kbit/sec or faster

7.3. An introductory video tutorial on the LMS can be found by clicking the link on the home page of the MediQuest website (www.mediquest.net.au)
